Dues under Yearly Membership are \$120 per year or \$35 quarterly, in advance. If dues are not paid when owing, membership lapses and contracts for future cryopreservation are not in force (all contracts for present cryopreservation remain in force).

Membership fees are not refundable or transferable, in whole or in part.

For Yearly Membership members, minimum human contract funding is \$35,000, whole-body, a one-time payment approximately at time of death or earlier, by life insurance or other means specified in the contract. Yearly Membership members may switch to Lifetime Membership at any time, by paying the \$1,250 Lifetime Membership fee. Credit will be given for dues paid within the previous year.

Please mail in your membership application with check or money order enclosed to:
