

A Letter From: *Bill Faloon: Director - the Life Extension Foundation*

A Special Invitation to Meet the Cryonics Leaders of Today and Our Future -
All While Being Updated On the Latest LEF Funded Scientific Research

Greetings to *All Young Cryonicists*,

I am looking forward to meeting (and reuniting with) as many of you as possible -
in person. I respect the foresight you have shown by signing up early. I would
like to review the goals of this gathering and then give you an overview.

Goals:

- ★ Educate young cryonicists about developing emergency response technologies
and revival strategies.
- ★ Develop a continuing social network of like-minded individuals who otherwise
might not have the opportunity to meet in person.

Overview:

This education seminar/gathering is sponsored by the Life Extension Foundation
(LEF) (www.lef.org), a non-profit organization. The genesis of LEF began at a
cryonics meeting in 1976. *Saul Kent* and I met with wealthy individuals seeking
to establish an organization that would support scientific research and education
aimed at eradicating biological aging and death.

This meeting resulted in the formation of the Life Extension Foundation. *Yearly
LEF contributions* to anti-death research projects now exceed \$10 million.

Back when *Saul* and I met, our community of individuals signed up to be cryo-
preserved totaled only a fraction (less than 10%) of what it is today. Regular
monthly meetings enjoyed an almost 100% attendance. Cryonicists developed
strong social bonds in those days and relied upon each other's volunteer services
for emergency responses and even perfusions and encapsulations.

We have witnessed the advent of the Internet and a move to paid professionals to
provide what used to be volunteer cryo-preservation services. Unfortunately, we
have also witnessed the fragmentation of our community of more than 2,000 signed
up cryonics members (in terms of personal interaction).

As increasing numbers of younger individuals sign up to be cryo-preserved, it has
become apparent that a gap exists between today's aging cryonics leaders and
those destined to be the future leaders of cryonics related organizations.

The twofold focus of this special Young Cryonicists Gathering will be one, for you to get to know each other and to provide you with the opportunity to meet a few of those responsible for today's ongoing advances occurring in cryonics AND for us to get to know each one of you - all while two, being updated on our latest scientific research developments.

Cairn Idun, founder and director of "Teens and Twenties" events, understands that each of you has your own preference for social introductions. She has organized a variety of "getting acquainted" activities with the objective of having no unmet introductions and bonding opportunities.

This gathering creates an environment for today's scientific and financial caretakers to get to know and educate the future leaders of cryonics AND for you to get to know each other AND, as a consequence, draw strength from each other. We are each others resources.

Enjoy this exciting and fulfilling weekend.

SCHOLARSHIPS: cover airfare, hotel, food service and registration fee.

LEF, through an education grant, is offering 40 scholarships that pay for the following:

- ◆ U.S. round-trip airfare (from your home address) to and from Deerfield Beach (or *up to* \$1000 for origin outside the U.S.; \$1350 for Australia)
- ◆ Hotel accommodations for Friday and Saturday nights. Thursday or Sunday night is covered ONLY if we determine that it is necessary to arrive in time and attend the entire event (depending upon flight availability). Thursday & Sunday nights will also be covered for scholarship attendees choosing to room together.
- ◆ Meals and beverages on Friday night, all day Saturday, and Sunday through lunch
- ◆ Registration fee - \$350 - covered by your scholarship

These will be awarded on a first (fully completed application) come, first granted basis to 40 fully signed up and verified cryonicists (i.e., having a funded contract with a recognized cryonics provider), ages 18 through 30. Teens aged 13-17 may apply and attend when accompanied by a parent or guardian. Parents/guardians of attendees aged 18-19 are also encouraged to accompany their child. All attending parents will be put in touch with each other should they choose to create their own "get together" during the "young cryonicists" gathering.

With respect for your foresight,

Bill Faloon: Director - The Life Extension Foundation **Your Host**

The Eighth Annual Young Cryonicists Gathering

Teens & Twenties 8 2017: Getting to Know You - You Getting to Know Each Other - All While Being Updated on the Latest Scientific Research

Fri-Sun; May 26-28, '17 FL Host: The Life Extension Foundation - Director: Bill Faloon

DoubleTree By Hilton: 2155 E. Convention Center Way; (909) 212-8000 www.HiDeerfield Beach.com

Who: Fully SIGNED UP (financially covered and contracted) cryonicists from their teens through twenties (13-30) may apply to attend (13-17 accompanied by parent or guardian).

Expenses: Forty (40) scholarships [covering U.S. air fare (or up to \$1000 for origin outside the U.S. - \$1350 for Australia), 2 nights lodging (3 only if we deem necessary; 4 IF you room with a scholarship attendee) plus registration, meals & refreshments] are offered through a generous education grant from the Life Extension Foundation (LEF).

Notification of acceptance to attend, plus receipt of a scholarship, will generally be made within one to two weeks from arrival of both the application and the handwritten "agreement." Flights will be scheduled for Friday morning and Sunday evening (unless a timely request is made for other days) using the best flight rates.

SCHEDULE (subject to fine tuning)

Friday, 6:30 pm - 10 pm Dinner & Get Acquainted Room will open at 5:30 pm.

- Welcome: Cairn Erfreuliche Idun & Bill Faloon
Brief self introductions - Please repeat your name each time that you speak.
"Getting to Know You" Activity: Cairn Idun

Saturday, 8:00 am - 9 am Breakfast, Informal Socialization

9 am - 6 pm (Noon-1 pm: Lunch.)

- "Getting to Know You" Activities: Cairn Idun
Each one of you has your own preference for socializing. Each one of you possesses your own level of comfort and skill when meeting someone new. I will therefore include a variety of "getting acquainted" activities. Simply having unstructured social events usually leaves many unmet introductions. Remember: While you are being updated on the latest scientific advances we have two additional goals. ONE: A few members of our asset preservation group want to get to know each individual with enough foresight to sign up for cryonics at a young age. TWO: You receive the opportunity to get to know others like yourselves. As a consequence we can draw strength from each other. We are each other's resources. Cairn

- John Schloendorn, Nuno Martins, Maximus Peto & Xiaoxi Wei: Research Updates
Optional Contact Exchange - A "Stay in Touch" Network, Forum & Meet-ups

6:30 pm - Dinner

- Greg Fahy: 21st Century Medicine Research - Improving Cryo-Preservation Procedures
Bill Faloon: Current Scientific Advances and Topics
Entertainment by Talented Attendees: Chance Faloon

Sunday, 9:00 am - 10 am Breakfast, Socialization

10 am - 5 pm

(1 pm - 2 pm: Lunch - Then tours of Suspended Animation & 21st Century Medicine)

- "Getting to Know You" Activities: Cairn Idun
Closing Remarks

We look forward to enjoying your company and "getting to know you." Cairn Idun & Bill Faloon

Teens & Twenties 8 2017: Getting to Know You - You Getting to Know Each Other

- All While Being Updated on the Latest Scientific Research

Friday-Sunday; May 26-28, 2017 DoubleTree By Hilton; Deerfield Beach, CA

Host: Life Extension Foundation - Director: Bill Faloon

Registration Form for Returning Applicants

Potential new attendees have received a separate application. This is NOT a drop in event. You MUST be registered in advance. Thirty-one year olds who have previously attended may attend for this one additional year at their own expense for travel and lodging - no registration fee. Your "Scholarship Recipient Agreement" or "Attendee Agreement" (see below) should accompany or follow your application.

Application deadline: April 20, 2017.

Name _____

Age (13-17 accompanied by a parent or guardian) _____ Birth date _____

Cryonics Provider _____

Mailing Address _____

e-mail _____ Phone _____

My thoughts on prior Teens & Twenties: _____

I wish to register & apply for a full scholarship. [Covers registration fee (\$350 - includes 6 meals), U.S. airfare (or up to \$1000 for airfare outside the U.S., \$1350 for Australia), & 2 nights lodging, 4 nights for scholarship attendees who room together]

I wish to room with a scholarship attendee & include Thursday & Sunday night's lodging.

Roommate _____ Or pick one for me _____

I wish to register & apply for a partial scholarship. registration airfare lodging

I wish to register and can pay my own way. registration \$350

I am also sending either my "Scholarship Recipient Agreement" or my "Attendee Agreement" if I am a Self Pay applicant (see below).

Your application will be verified upon receipt of this agreement.

Mail, fax or e-mail to (or click to send for web based fill in the blank forms):

Teens & Twenties; c/o Kathy Markell; Life Extension Foundation

3600 West Commercial Blvd.; Fort Lauderdale FL 33309

Phone: 954-202-7702 FAX: 954-202-7745 e-mail: kmarkell@lifeextension.com

Kathy will forward returning applications to me. I look forward to our reunion. Cairn

Teens & Twenties 8 2017: Fri-Sun; 05/26-28/17 DoubleTree By Hilton, Deerfield Beach, Florida

Host: Life Extension Foundation - Director: Bill Faloon

Major Airports Close to Fort Lauderdale, FL

There are 3 major airports near Fort Lauderdale, Florida.

Fort Lauderdale-Hollywood International Airport is the **closest** major airport, with an IATA code of FLL and an ICAO code of KFLL. This airport is in Fort Lauderdale, Florida and is 4.1 miles from the *center* of Fort Lauderdale, FL.

West Palm Beach International Airport (PBI / KPBI), is in West Palm Beach/Palm Beach, Florida and is 38.9 miles from Fort Lauderdale, FL.

Miami International Airport (MIA / KMIA) is in Miami, Florida and is 23.9 miles from Fort Lauderdale, FL.

smaller southern Florida airports

Boca Raton Airport - Boca Raton, FL (BCT / KBCT)

Pompano Beach Airpark - Pompano Beach, FL (PPM)

Fort Lauderdale Executive Airport - Fort Lauderdale, FL (FXE / KFXE)

Opa-locka Airport - Miami, FL (OPF / KOPF)

Miami Downtown Heliport - Miami, FL (JDM)

William P Gwinn - Jupiter, FL (XWN)

Lodging at Meeting Location

Doubletree by Hilton - Deerfield Beach/Boca Raton

100 Fairway Drive, Deerfield Beach, Florida, United States 33441-1856

Tel: 1-954-427-7700 Fax: 1-954-427-2308

Group Rate: \$99 single or double occupancy per day - additional person = \$15

Taxes are currently 11%. Cut-off date for these rates is 4/26/2014.

Duration: Our group rate extends three(3) days prior to 05/26/2017 and three (3) days post the closing date of 05/28/2017, subject to availability. May 23 - May 31, 2017.

*Consensus is
neither sought
nor desired.*

- supporting individual choices -

*“Teens & Twenties: Getting to Know You -
You Getting to Know Each Other” is
independent of any specific cryonics
organization in order to make it useful and
available to ALL young cryonicists.*

Options for Safe, Secure and Legal Asset Preservation for Post-Resuscitation Access

The Eighth Annual Young Cryonicists Gathering

Teens & Twenties 8 2017: Getting to Know You - You Getting to Know Each Other - All While Being Updated on the Latest Scientific Research

Friday-Sunday; May 26-28, 2017 Deerfield Beach, FL Founder/Director: Cairn Idun

DoubleTree By Hilton - Host: Life Extension Foundation / Bill Faloon: Director

Scholarship Recipient Agreement

All scholarships to Teens & Twenties 8 - 2017 are *dependant* upon a handwritten, signed, dated and timely receipt of the following agreement. **This is meant to accompany your application.**

Use black ink only to copy the following *ENTIRE* statement in your own handwriting and insert your name where designated. Then sign and date. This *unfortunate requirement* is due to just “one bad apple” who took advantage of the free hotel room BUT did not attend any of the events. She did however show up for free meals. The goal is to discourage abuse. If you think this form of theft is “no big deal,” it is best that you also not apply. This gathering is specifically for those who WANT to get to know ALL attendees & who WANT to participate. This is a scholarship to peacefully ATTEND T2. The name of this one individual will not be revealed. The vast majority of young cryonicists are incredibly mature - more so than the population at large. Yet *any group* can have that one bad element.

STATEMENT: *Only black ink* will be accepted. This is necessary for scanning and copying.

I, _____, understand that my scholarship to the Teens & Twenties 8 - 2017 is provisional. I will provide my valid credit card information to the hotel upon my arrival. Basic charges for my room for the designated scholarship days, and event meals and refreshments, will be covered by my scholarship at the conclusion of Teens & Twenties 8 - 2017 IF I have peacefully attended all events in full (ON TIME) & have not caused or participated in any disruptions (anything that prevents scheduled and approved activities from proceeding). IF I miss, or am late to, any event, or cause or participate in a disruption, all hotel room charges for whatever room is reserved for me (That means that if I room with someone or stay elsewhere the charges will still accrue to me.), & the actual per person cost of ALL event meals & refreshments, will be charged to my credit card. I also agree to pay back all scholarship related travel costs. An exception will be made for events outside of my control (i.e. delayed flight, legitimate illness). As a backup I may wish to pre-arrange wake-up calls with the hotel.

(signature)

(date)

It is insufficient to simply sign and date this statement/agreement. Remember to LEGIBLY copy the entire statement/agreement in your own handwriting.

Your flight and registration will be confirmed upon timely (in time to get the best flight rates) receipt of this handwritten statement. Should this arrive too late to get the best rate, you will be charged for the difference. Only those applicants who provide this statement will be allowed to attend. Writing this out helps to prevent anyone from claiming they signed without reading it.

Please send your **handwritten** agreement to:

Teens & Twenties 8 - 2017; c/o *Kathy Markell*; Life Extension Foundation;

3600 West Commercial Blvd.; Fort Lauderdale FL 33309

FAX: 954-202-7745 e-mail: kmarkell@lifeextension.com

Thank-you for your cooperation. I know this is unfortunate. One bad apple.....

The Eighth Annual Young Cryonicists Gathering

Teens & Twenties 8 2017: Getting to Know You - You Getting to Know Each Other
- All While Being Updated on the Latest Scientific Research

Fri-Sun; Apr 8-10, '17 Deerfield Beach FL Host: LEF - Bill Faloon: Director

Self-Pay Attendee Agreement

Acceptance of a Self-Pay Application to Attend Teens & Twenties 8 2017 is dependent upon a handwritten, signed, dated and timely receipt of the following agreement. Applications to attend T2 8 2017 are not automatically accepted.

Use only black ink to copy the ENTIRE statement in your own handwriting and insert your name where designated. Then sign and date. This unfortunate requirement is due to just “one bad apple.” This gathering is specifically for those who WANT to get to know ALL attendees & who WANT to attend the entire program. Acceptance is based upon an agreement to peacefully and fully attend T2. The name of this one individual will not be revealed.

STATEMENT: Only black ink will be accepted. This is necessary for scanning and copying.

I, _____, understand that my admittance to the Teens & Twenties 8 2017 is provisional. If my application to attend Teens & Twenties 8 2017 is accepted, I agree to peacefully attend all events in full (ON TIME) and will not cause or participate in any disruptions (anything that prevents scheduled and approved activities from proceeding). IF I miss or am late to any events, or cause or participate in a disruption, I understand that I will be asked to leave and permanently denied admittance to any future T2 events. An exception will be made for events outside of my control (i.e. delayed flight, legitimate illness). As a backup I may wish to pre-arrange wake-up calls with the hotel.

(signature)

(date)

It is insufficient to simply sign and date this statement/agreement. Remember to LEGIBLY copy the entire statement/agreement in your own handwriting. Your application will be confirmed upon timely receipt of this handwritten statement. This must be supplied prior to consideration for acceptance to attend. Please include this with your application.

Writing this out helps to prevent anyone from claiming they signed without reading it.

The vast majority of young cryonicists are incredibly mature and intelligent - more so than the population at large. Yet any group can have that one bad element.

Please send to:

Teens and Twenties 8 2017

c/o Kathy Markell; Life Extension Foundation;

3600 West Commercial Blvd.; Fort Lauderdale FL 33309

FAX: 954-202-7745 e-mail: kmarkell@lifeextension.com

Thank-you for your cooperation. I know this is unfortunate. One bad apple.....

T2 - Come Early - Stay Late

Some attendees to T2 enjoy spending *extra time in Florida* - especially since their flight is already paid for with their scholarship.

At their own expense for additional food and lodging, they are arriving early and/or spending extra days after the T2 gathering.

Each has an individual reason.

1. Spend extra time with new found or old friends.
2. Enjoy being a tourist in Florida.
3. Visit Florida family.
4. Other

Each has their own lodging preference.

1. Our discounted hotel rate extends for the 3 days before May 26, and the 3 days after May 28, 2017.
Be sure to notify the hotel if you plan to use our discounted rate for extra days.
2. Some choose nearby lodging.
3. Some choose low cost motels.
4. Some.....

Your T2 scholarship covers an additional 2 nights (Thursday and Sunday) for scholarship attendees who choose to room together for all 4 nights. Attendees *under 21* are required to room with someone 21 and over. This can be achieved in one of two ways.

1. Room with a parent or guardian.
2. Room with another attendee who is over 21. In this case you are eligible for Thursday and Sunday night coverage - if they are also on scholarship.

IF you would like to arrive before Friday or stay later than Sunday (Thurs./Mon. for attendee roommates), THEN just let Kathy Markell know right away BEFORE she books your flights for Friday morning and Sunday evening.

Kathy has an incredibly busy schedule and will give you only one reminder to let her know your flight preference. Based upon when you apply for a scholarship, Kathy will let you know the date when your flight preference must be communicated to her. After that date she will choose a flight for you. IF you wish to change her choice then you must first cover the change fee plus \$20 for her time.

Why do we book flights early ? ----- To get the best rates.

As for me, I will arrive the Wednesday before and depart the Wednesday after T2.

I enjoy my time "getting to know you."

Forever,

Cairn Erfreuliche Idun

Additional Information

Scholarships To Teens & Twenties:

Individuals who are related to

- * LEF directors or

- * employees of Life Extension Foundation

are ineligible for scholarships.

An employee or director of LEF may attend as:

- * part of employment (business expense) or

- * as part of being a director,

but not on a scholarship.
