

# Achieve Immortality Tomorrow Maintain Optimal Health Today

**Y**our best chance of staying alive in the future is to protect your precious health now so you can benefit from future medical discoveries. Staying informed about the latest advances can mean the difference between life and premature death...but, how?

Welcome to the **Life Extension Foundation**, your passport to the future. As the largest anti-aging organization in the world, we are dedicated to finding scientific ways to prevent disease, slow aging and eventually stop death.

For more than two decades, Life Extension has been at the forefront of the movement to support revolutionary anti-aging research that is taking us closer to our goal of extending the healthy human life span indefinitely. We inform our members about path-breaking therapies to help keep them healthy and alive.

## As a Foundation member, you'll receive these life-saving benefits:

- A subscription to *Life Extension* magazine (\$59.88 yearly newsstand value)...Over 100 full-color pages every month are filled with medical research findings, scientific reports, and practical guidance about using diet, nutrients, hormones, and drugs to prevent disease and slow aging.

- Access to a toll-free phone line to speak with **knowledgeable health advisors, medical doctors and oncology experts** about your individual health concerns. You can also receive help in developing your own personal life extension program.

- **Discounts on prescription drugs, blood tests, and pharmaceutical-quality supplements** that will greatly exceed your membership dues. You'll receive a directory listing the latest vitamins and supplements, backed by scientific research and available through a unique buyers club.

- **Disease Prevention and Treatment book** (\$49.95 cover price)...this hardbound fourth edition provides novel information on complementary therapies for 134 diseases and illnesses—from Alzheimer's disease to cancer, from arthritis to heart disease—that is based on thousands of scientific studies.

Life Extension Foundation funds advanced vitrication and gene-chip research. Your \$75 membership fee helps support scientific projects that could literally save your life.
